NARRATIVE

On the above date and time, PO Johnson arrived at the establishment. Upon arrival, the victim has been taken to Salt Lake Regional Medical Center. PO Johnson spoke the Mr. Kellen Grant, the manager of the establishment and the person who called 911. Mr. Grant stated that during the birthday party at the establishment, an animatronic performer had attacked a customer, Mr. Ryan Eight. The party room where the incident happened had spray blood stains on the wall and the ceiling. A large blood puddle was also spotted. Inspecting the turned down animatronic performer, blood, strands of hair and human skin was found around the performer's two sets of teeth.

PO Johnson then spoke to Ms. Anna Abramson who witnessed the attack. Ms. Abramson stated that at around 9:40AM, employees responsible for Mr. Eight's birthday party was told to exit the 'Game Area' and enter the 'Kid's Cove'. As children started to play, Mr. Eight's son told him to check out the animatronic performer 'Mangle the Fox'. Mr. Eight proceed to look around the performer and stuck his head inside the performer's mouth 'as a joke'. The performer then clamped down on his head with such force that it produced a cracking noise, followed by squirts of blood. The party room then erupted to chaos, with Mr. Eight falling on the floor unconscious. 911 was called immediately.
